**Comments on Statement of Reasons for Allowance**  
**under 37 C.F.R. § 1.104(e)**

Applicants file these comments on the Statement of Reasons for Allowance, which were given at numbered par. 4, in the Detailed Action that accompanied the Notice of Allowability mailed on March 7, 2006.

For this application, Applicants believe that the pre-allowance file history is clear as to why claims 1-20 should be allowable. Exemplary reasons were stated in Applicants' Response, which was mailed on Dec. 7, 2005.

The "Reasons for Allowance" seem unclear with respect to allowed claim 12. The "Reasons for Allowance" may characterize claim 12 in a manner not required either by claim language or by the previous prosecution history. Applicants do not acquiesce to any narrowing of claim scope or interpretation of the claim meaning based on any such characterization.

NO FEE IS REQUIRED.

In the event of any non-payment or improper payment of a required fee, the Commissioner is authorized to charge or to credit **Lucent Technologies Deposit Account No. 12-2325** to correct the error.

Respectfully,

A handwritten signature in cursive script, appearing to read "John F. McCabe", written over a horizontal line.
